

# Nailsea Tithe Barn Trust

## Sponsor a Beam

Our vision is to restore Nailsea Tithe Barn, with its beautiful 15th Century internal oak timbers, and make it a centre for social, community and heritage use in the heart of historic Nailsea. You can help to realise this vision by sponsoring a beam or a stone, with your support being recognised for posterity. You will receive a Certificate of Appreciation and your name will be recorded either on your chosen beam or in a Book of Recognition.

Please fill in the form below and hand it to one of the Trustees or send, with your donation, to:
